

## 2 POLYPROPYLENE STRAPPING

Polypropylene strap is an economical packaging solution designed for light to medium duty unitizing, palletizing and bundling. Acme's polypropylene is embossed to achieve efficient seal joints and superior split resistance.

This product offers elongation recovery properties to ensure secure packaging for shipping and storage. Offered in a wide variety of sizes and gauges, Acme's polypropylene strapping will perform consistently with all types of seal friction, heat in power strapping equipment and tooling.

### POLYPROPYLENE STRAPPING
