

# CUSHION-LITE®

POLYETHYLENE FOAM

# CUSHION-LITE® POLYETHYLENE FOAM

Superior, versatile packing protection for most surfaces - without excess weight. CUSHION-LITE® foam is an easy-to-wrap material that protects and gently cushions. Its light-weight, closed-cell structure provides a unique "bounce-back memory" that absorbs impacts, prevents bottoming out and resists scratches.

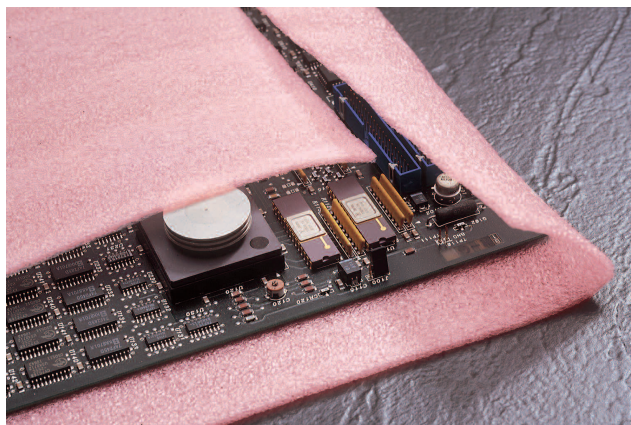

- **Lightweight**
- **Non-abrasive**
- **Clean**
- **Moisture Barrier**
- **Dust Free**
- **Cost Effective**

PRODUCT CODE	THICKNESS (GAUGE)	BUNDLE WIDTH	BUNDLE LENGTH	SQUARE FEET PER BUNDLE
